WELCOME

Most people desire success. Few understand Dominion.

This workbook is your personal guide through Building a Dominion Mindset — a 12-week masterclass that will equip you with the Kingdom principles, leadership strategies, and mindset shifts necessary to take dominion in your God-given sphere of influence.

Rooted in Genesis 1:28, this course explores God's original mandate for mankind — to be fruitful, multiply, replenish, subdue, and have dominion. Each week you will engage teaching, key scriptures, fill-in sections, and reflection questions designed to move you from information to transformation.

Dominion is not about control — it is about responsibility. It is not Plan B. It is still God's original plan.

HOW TO USE THIS WORKBOOK

- **Come prepared — bring your Bible and an open heart**
- **Complete the fill-in sections during each lesson**
- **Engage the reflection questions honestly**
- **Capture insights in the notes space provided**
- **Apply at least one principle to your life each week**

- Apostles are gubernatorial agents sent with plenipotentiary status
- You are commissioned as an agent — a sent one — in your sphere
- Agents of dominion carry authority to influence systems and territories

- Ask “What did God say?” before asking “What should we do?”
- **Expansion Consciousness:** Always asking — How does this grow? Who can this reach?
- **Governmental Clarity:** Confusion corrupts construction
- Strategy is not human wisdom — it is Heaven's wisdom deployed on earth

- Apostolic language speaks to territories, not just circumstances
- Declare the vision: write it, speak it, walk in it (Habakkuk 2:2-4)
- When you follow your vision and ignore God's vision, you cause division
- You must speak with authority — not just with information

- Holy Excellence requires refusing to settle for mediocrity
- Don't Settle for Less: Bearing 30-fold when 100-fold is available
- The parable of the sower reveals that the ground determines the harvest
- Four ground types: Hard, Rocky, Thorny, and Good — which are you?

Building a Dominion Mindset

LESSON OBJECTIVE

- Many get thrilled by His presence but never filled with His person
- Being thrilled is emotional; being filled is transformational
- The thrilled shout, but the filled shake cities
- He is the Power Behind Purpose — without Him, dominion is impossible

DOMINION AND GATES

Building a Dominion Mindset

LESSON OBJECTIVE

Understand the 12 gates of Kingdom governance and apply their principles to your ministry, marketplace, and sphere of influence.

- 12 Gates: Sheep, Fish, Old, Valley, Dung, Fountain, Water, Horse, East, Miphkad, Ephraim, Prison
- Each gate represents a functional system required for Kingdom dominion
- Edification must precede multiplication — build the sheep before you multiply them
